BUSINESS PROFILE

COMPANY HISTORY

ANTHER ENTERPRISES WAS INCORPORATED IN 1995 BUT STARTED TRADING IN JUNE 1996. THEN THERE WAS ONLY ONE EMPLOYEE HELPING TOM FOROMA WITH JUST ONE WELDING MACHINE, ANGLE GRINDER AND A HAND DRILL. SMALL WELDING JOBS WERE CARRIED OUT. USING A PAYOFF FROM MINISTRY OF FINANCE ONE RIGID THREADING MACHINE WAS PURCHASED AND THE THREADING OF PIPES AND BARREL NIPPLES BEGAN. THIS IS WHERE IT ALL STARTED OFF.

SOCIAL RESPONSIBILITIES

We offer yearly industrial attachment to college students in sales and marketing,accounts,procurement,machining and metal fabrication

SOCIAL RESPONSIBILITIES

We also take part in cleaning campaigns in collaboration with the likes of EMA and E-Africa. We care about the environment we stay in and we will do anything to protect it!

COMPETITORS

Most of our competitors mark up their prices very high and sometimes this discourages customers. Most of our competitors do not have workshops like we do. We therefore catch a customer who wants “off the shelf” bolt and nut and those looking for customized products. This has brought us to where we are, with a large customer base and our own premises!

INDUSTRIAL BOLTS
AND HARDWARE

FUTURE PROSPECTS

To supply fasteners around the SADC region and beyond. To be well known in all remote areas of our country, and to expand our product range as much as possible.

Zimbabwe is a developing country, requiring billions of fasteners for its entire infrastructure.

The above subject matter refers.

This letter serves to confirm that a company visit was conducted to verify the operations of Anthier Enterprises (Pvt) Ltd.
